

# RESUME

## Personal information

Name: Petri Majamäki  
Address Amiraalin puistotie 10 B27, 02320 ESPOO  
Email: [majamaki.petri@gmail.com](mailto:majamaki.petri@gmail.com)  
Phone: 040 763 6144

I am a young game developer that just finished my conscript time and am currently looking for my dream job, where I get to work on programming some of the best games there will be.

## Skills

- Programming languages: C#, Java, HTML, C++, JavaScript, PHP, SQL
- Frameworks/Engines/platforms: Unity3D, Unreal Engine, LibGDX, Box2D, xCode, Android Studio
- Projectwork: Git, SVN, Bazaar, Agile projects, SCRUM, Kanban, Trello, JIRA
- Software: Most of Adobe suite, Blender, Sculpris, whole Office suite, GIMP

## Education

- 2012-2015 – Tampere University of Applied Sciences – Information technologies, software development
- 2009-2012 – Sedu Seinäjoki, koulukatu, Datonomi, Information and Communications Technology
  - Windows and Linux server installation and configuration

## Work experience

- 2015-present day – Exerium/Suomen kuntoutusväline Oy. Part time software developer. Mainly Unity development of a part of a larger whole that is still unreleased.
- 2014-2014 – Kyy Games. A summer trainee position. Development of a new mobile title, porting a mobile game to desktop and testing.
